2. Background

SPOTX operates an enterprise-grade digital signage platform that enables businesses to manage content, monitor screens, schedule campaigns, and track performance across their screen network from a single dashboard. The Influencer creates content for an audience on social media and wishes to promote SPOTX to that audience. SPOTX is willing to pay the Influencer for approved promotional content on the terms of this Agreement.

3. Scope of Work

The Influencer will create and publish posts and reels promoting SPOTX on the social media accounts listed in the Payment Terms section below, and submit each published piece through the SPOTX Influencer Panel for review. SPOTX reviews every submission and approves or rejects it; only approved content is paid. In creating content, the Influencer will:

- publish only from social accounts that SPOTX has verified as belonging to the Influencer;
- clearly disclose the paid nature of the content (for example "#ad" or the platform's paid-partnership label), in line with the ASCI Guidelines for Influencer Advertising in Digital Media;
- represent SPOTX's products, features, and pricing accurately, and not make claims SPOTX has not approved;
- keep follower and engagement figures genuine — no purchased followers, bots, or artificial engagement.

4. Onboarding & Verification

This Agreement, and the Influencer's ability to submit content and receive payouts through the SPOTX Influencer Panel, is conditioned on SPOTX's verification of the Influencer's KYC documents, bank account details, and social media accounts. The Influencer represents and warrants that all information and documents submitted for this purpose are true, accurate, and not misleading. SPOTX reserves the right to suspend or reject the Influencer's account if this is found not to be the case.

5. Payment Terms

The Influencer is paid a fixed amount for each approved piece of content, at the rate agreed below for the

social account it was published on. These rates apply to every approved post and reel from that account — no separate price is set per piece of content.

- Instagram — ananya.creates: Rs. 2,344 per post, Rs. 15,000 per reel
- YouTube — AnanyaCreatesVlogs: Rs. 6,000 per post, Rs. 10,000 per reel
- Instagram — shayari_0704: Rs. 8,000 per post, Rs. 15,000 per reel
- YouTube — shayari0704: Rs. 8,000 per post, Rs. 15,000 per reel

A payment is recorded when SPOTX approves a submitted post or reel, and becomes eligible for settlement after SPOTX's internal review. Settlements are processed on a monthly basis to the bank account verified by the Influencer in the SPOTX Influencer Panel. Applicable taxes, including tax deducted at source, will be withheld as required under Indian law. SPOTX reserves the right to hold or reverse any payment connected to content that is removed, misrepresented, or found to be fraudulent.

6. Term & Termination

This Agreement commences on the Effective Date and continues until terminated by either Party. Either Party may terminate this Agreement for convenience upon thirty (30) days' prior written notice to the other Party. SPOTX may suspend or terminate this Agreement immediately upon written notice if the Influencer breaches this Agreement, provides false information, or engages in fraudulent or unlawful conduct. Termination does not affect payment already earned for content approved prior to the effective date of termination, which remains payable per the settlement terms above.

7. Confidentiality

Each Party agrees to keep confidential all non-public business, technical, and financial information disclosed by the other Party in connection with this Agreement, including the payment rates set out above, and to use such information solely to perform its obligations under this Agreement. This obligation survives termination of this Agreement.

8. Intellectual Property & Content Use

SPOTX retains all right, title, and interest in and to its platform, software, trademarks, and brand assets. The Influencer is granted a limited, non-exclusive, non-transferable right to use SPOTX's name and marks solely in content created under this Agreement, in accordance with SPOTX's brand guidelines; this right ends automatically when this Agreement ends. The Influencer retains ownership of the content it creates, and grants SPOTX a non-exclusive right to share or link to approved content on SPOTX's own channels with credit to the Influencer.

9. Compliance

Each Party will comply with applicable law in performing its obligations under this Agreement, including consumer protection and advertising disclosure rules and each social media platform's own terms for branded content. The Influencer is responsible for its own tax filings on payments received under this Agreement.

10. Limitation of Liability

Neither Party will be liable to the other for any indirect, incidental, or consequential damages arising out of this Agreement. Each Party's total liability under this Agreement is limited to the amounts actually paid or payable to the Influencer in the twelve (12) months preceding the event giving rise to the claim.

11. Governing Law & Dispute Resolution

This Agreement is governed by the laws of India. The Parties will first attempt to resolve any dispute arising out of this Agreement through good-faith discussion, failing which the dispute will be subject to the exclusive jurisdiction of the competent courts in India.

12. Notices

Notices under this Agreement will be sent to the Influencer at ananya@influencer.demo and will be deemed delivered when sent. SPOTX may also notify the Influencer in-app via the SPOTX Influencer Panel.

13. Entire Agreement

This Agreement, generated by the SPOTX Influencer Panel, reflects the terms configured for the Influencer as of the Effective Date and constitutes the entire understanding between the Parties regarding the subject matter herein. Whenever SPOTX changes the Influencer's payment rates, a reissued version of this Agreement stating the new rates replaces this one for content approved after its effective date.

This document is generated automatically by the SPOTX Influencer Panel upon verification of the Influencer's KYC documents and bank account, and is reissued whenever the agreed payment rates change. Where a separately signed master agreement exists between the Parties, that document takes precedence over this one.
